Box Non-Fee Amendments
Washington, DC 20231

Dear Sir:

In response to the Office Action mailed 02/11/2004, please amend the above application as follows:

Specification

Page 3, line 7, change "Wide Wide" to —Wide Web—

Claims: Cancel all claims of record and substitute new claims 34-66 as follows.

AI
34. A system that provides direct access to every data object while displaying any data object on a visual display unit via a client process, each data object resulting from searching an information location mechanism, each data object having an identifier, each data object having a plurality of data elements, each data element having some or no contents, one of said data elements being a title, the system comprising:
